— BAR HILL'S GOLDEN JUBLIEE —

On 24th May 1967, Bar Hill's first residents, Mr and Mrs Bob Burry and their daughter Elizabeth moved into their new bungalow at 58 Acorn Avenue.

A Golden Jubilee year is being planned for 2017, from a formal dinner at the beginning of February to a 'big weekend' in October. The pivotal event of the year will be a 'bigger than ever' Fête to be held on 1st July. It is hoped to arrange a visit by a member of the Royal Family at some point during the year.

A commemorative programme will be published at the beginning of the year. This will consist of photographs of the last fifty years as well as a list of events. Village organisations, in organising their programmes for next year, are asked to think of an event or events which can be included in the programme.

If you wish for any further details, please do not hesitate to get in touch.

On 4th July we had our 'All things American' theme to celebrate their Independence Day. During the day we had American cookies, sweets and Twinkies. In the afternoon we enjoyed an hour of line dancing by Debbie Walker and her line dancing ladies with the opportunity to learn and try a few dances ourselves. A very big thank you to Debbie and all her dancers.

Coming up in August:

1st: an amateur variety show of sorts called 'Let us Entertain You';

8th: the theme is 'Old Wives Tales & Old Sayings and their meanings';

15th: a 'Taste the Difference' day – can you tell which is which in a comparison of Low vs. High sugar/fat products?

— LETTERS —

Dear Editor

With regard to M. Allen's letter about planes over the village, I live in Appletrees, near the road/field and have also noticed the high number of planes doing acrobatic manoeuvres above my house. Are they flying from Bourn airfield as someone suggested to me or another nearby airfield perhaps?

It would be good to know, maybe from the Parish Council, if there are any rules or regulations regarding planes doing loop-the-loops over residential houses in the village. Surely it should only be allowed over fields? I have no issue with older planes flying overhead but am concerned about the high number carrying out such manoeuvres over a built up area.

S. Moseley

Dear Editor

May I please add my ten pennyworth to the debate over light aircraft which, very occasionally, entertain many of us with aerobatic manoeuvres.

Firstly, Mr Allen refers to the aircraft as flying over populated area. Well, before the aircraft is allowed to fly the pilot has to register his intent, giving information as to where s/he intends flying and I am fairly certain that, the area s/he flies in is classed as a safe area. Also according to the Civil Aviation Authority, s/he must not fly below 3,000 feet.

Regrettably, Mr Allen refers to the Shoreham air crash. I say regrettably as the plane that crashed at Shoreham was a stunt plane and not performing aerobatics. I also believe that the pilot at Shoreham had been involved in one or two mishaps on previous occasions.

If Mr Allen is hell bent on spoiling others' enjoyment, he must first keep accurate records of when the aircraft flies, the duration of the flight and the noise intensity. This also needs to be corroborated by at least one independent person. He then needs to contact the CAA with the registration mark of the aircraft, who should notify him of the pilot's details. When he has done that he can go to the Department of the Environment to lodge a formal complaint.

I'm sorry Mr Allen, but I for one enjoy the impromptu displays and would be happy for them to continue – but with one caveat, that should the pilot(s) read this letter, they take me up on one of their flights. One word of warning though, I will probably be very ill!

Peter Manders

Much of the information in Mr Manders' letter is found in Section 3 of *The Rules of the Air Regulations 2007*. I understand the aircraft are likely from Gransden or Duxford air fields, as Bourne has few if any aerobatic aircraft based there. *Ed.*

NEWSLETTER FROM HEIDI ALLEN MP

I would like to begin by paying tribute to Jo Cox. Her death was tragic and thoughts go to her family. Jo was an inspiration and we owe it to her to carry on fighting for those most in need.

I honestly can't believe I have been your MP for a year! Since I last wrote I've unveiled the new village sign and plaque in Little Shelford, and tied a ribbon across the river Granta in Little Abington to celebrate the joining of the Sawston and Linton Medical Centres. Recent meetings with the BMA, GPs, and staff at Addenbrooke's remind me of the challenges the NHS faces, so I am grateful that this new partnership will be able to offer new services and extended hours.

I was pleased to be invited to visit Moorlands Court in Melbourn, an extra-care housing site which supports elderly residents with care needs. Provision of quality social care for the elderly is extremely important to me. Moorlands extends its services to the wider community with a day centre, home support and a community meals service. Having spent a day shadowing social services, I wonder if this may be a model for the future.

I met with NFU farmers and representatives from across the constituency in Harlton to discuss the impact of the EU on trade and the rural economy. Agriculture plays a vital role in South Cambs so we need to ensure our farms are economically viable out of the EU.

Progress continues apace at Northstowe. In addition to delivering housing it as an ideal opportunity to deliver apprenticeships. I was disappointed to hear of the number of students leaving our colleges with no apprenticeship to go to and yet hearing from builders they are short of skilled trades. I've had a really positive meeting with a range of key individuals and I'll keep you updated on progress with this.

Please see my website for details of drop-in surgeries: www.heidisouthcambs.co.uk/residents-drop-surgeries or do get in touch if I can help you with anything. You can contact me by phone on 01954 212707 or via email at heidi.allen.mp@parliament.uk.

THE ROYAL BRITISH LEGION BAR HILL BRANCH

The Royal British Legion Bar Hill meets on the 4th Thursday of each month in the Meeting room of the Octagon from 7.30pm.

We are a small friendly group of like-minded people. You don't to have an Armed Forces background to join, just share a common cause of supporting our Service community, now and for the rest of their lives.

Contact Wendy Arrowsmith, Branch Secretary, **01954 781381** for more information.

The Royal British Legion **Raffle** at last month's Fête raised **£141**. The winner of the Hamper was **Heather Marson** and the Fruit and Veg Hamper was won by **Pat Haslop**.

Many thanks to all those who supported us at the event, and to all the helpers on the day.

...did you know...

Salvador Dali would often get out of paying for drinks and meals by drawing on the cheques, making them priceless works of art and therefore un-cashable.

— NEIGHBOURHOOD WATCH —

Scam of the month

When looking for last minute holidays this summer, you could be at risk of travel booking fraud. Having paid for a holiday or flight, you would discover that the holiday / airline ticket does not exist and was sold to you by a bogus travel company. Fraudsters will often lure in potential customers with low prices and 'one time only' offers that are simply too good to pass up, requesting payment by direct bank transfer.

Avoid:

- Responding to unsolicited calls, texts or emails offering holidays at incredibly low prices.
- Paying for tickets or accommodation by direct bank transfer.
- No reputable company will ever request payment by this method.

Protect Yourself:

- Whenever possible, pay by credit card as it offers increased protection.
- Always look for the 'https' and locked padlock icon in the online address bar before entering your payment details.
- Never feel pressured to make a booking for fear that you will miss out on this 'low price' opportunity.
- If you have never used the company before, take time to do some online research to ensure they are reputable.

If you have been affected by this, or any other scam, report it to Action Fraud by calling 0300 123 2040, or visiting www.actionfraud.police.uk.

CANCER PATIENT EXPERIENCE SURVEY

This survey was commissioned by Macmillan and the results were released on 5th July.

Macmillan believes patients' voices should inform the direction of cancer care. It seems they are getting good overall care in the East of England, although almost half of patients said they didn't always find someone to talk to at the hospital if they were worried. It is estimated that 46% of cancer patients in the East of England didn't receive adequate information about the potential long-term side effects of their cancer treatment, and 67% said they didn't receive a care plan, which sets out their treatment to help them deal with their condition.

Everyone with cancer has different needs. Some may require support with long-term side effects, others with mental health issues or money worries. Macmillan is helping ensure that no one faces cancer alone. It is vital that cancer patients have a good care from the moment they experience symptoms, through treatment, and for as long as they need afterwards.

Sustainable change in the healthcare system takes time, so Macmillan will continue to work with patients in partnership with the local NHS, hospitals, local authorities and surgeries to improve patient experience. There are many success stories in the area but more work needs to be done. Macmillan is developing bespoke solutions that meet the needs of patients in the East of England.

For further information, please contact Laura Mathias, Regional Communications Officer, East of England, Macmillan Cancer Support at lmathias@macmillan.org.uk or **07474 544271**.

— BAR HILL CRICKET CLUB —

Two victories over Bluntisham II got our league season kick-started as we managed to dodge the showers and play some cricket, albeit on some soft pitches.

Although one victory was by walkover, the other was a good performance. Skipper Adam Dean led from the front with an innings of 47 in Bar Hill's total of 128 and then took three wickets. Sam Walker took 4 for 12 as Bluntisham were bowled out for 72.

In the only other league match in the month, high-flying Fordham III were to strong and won by seven wickets, although Paul Stimpson scored 49, and Sam Wilson took two wickets in a good opening spell.

It leaves us in a relegation fight, but the matter is in our hands as victories over close rivals can see us stay up.

In the 20-20 Walker Cup, we did well to restrict Cherry Hinton, who play several divisions higher than us, to 131 all out, with three wickets for Sam Clare. However, their bowling was too strong and only Nathan Dean reached double figures as we were all out for 43.

The midweek league team saw a spate of cancellations for various reasons, but friendly matches were played against Girton and Remnants. The standout performance was Chris Howse's innings of 63 against Remnants, which included five sixes.

In the victory over Girton, Tom Yewbrey scored 45 not out, while it was good to see youngsters Jack Williams and Archie Tyrell in action for the first time, both taking a wicket.

Don't forget, we have youth training at the village green every Wednesday from 6–7pm – no experience necessary and all coaching and equipment provided.

Finally, thanks to all those who supported our barbecue at the Village Fête and to the Social Club for the loan of the barbecue. Our next fundraiser is the club duck race – details will be on our website shortly!

Keep an eye on our website for more information about the club – www.barhillcricket.org.uk.

— COUNCILLOR NOTES —

There was an **extraordinary meeting of Council** this month to discuss a devolution deal for Cambridgeshire and Peterborough. The deal will bring £20m a year for 30 years as well as £170m over the next five years for affordable housing. Taking this first step also offers devolution of the skills budget, the opportunity to negotiate further devolution of power in the future and enhances the area's eligibility for applications to the Growth Fund. Varying levels of concern were voiced about the requirement for an elected mayor who will lead a cabinet made up of members from each of the constituent authorities. All the local authorities who would be party to the deal have now considered it and have resolved to proceed to public consultation which will start on 4th July. Following consultation a further meeting will take place in October to consider whether to give consent for the Secretary of State to bring forward an Order to establish a Mayoral Combined Authority covering the area of Cambridgeshire and Peterborough. This link will take you to minutes: http://tinyurl.com/h4yh3re.
The Finance & Staffing portfolio holder, with his new responsibility for grants, considered applications for the Community Chest. Grants totalling approximately £12,500 were approved. Please bid for a grant for your group. Agenda pack: http://tinyurl.com/httmafp.
Greater Cambridge City Deal (GCCD) Assembly and Board considered plans to improve public transport, cycling and walking in Cambridge by tackling congestion 'swiftly and effectively'. The aim is to leave the busiest roads free for buses, cycles and pedestrians at rush hour and speed up the commute for people who don't travel by car. The proposal recommends: peak time congestion control points, better public transport, a workplace parking levy, on-street parking controls such as residents parking zones to discourage commuter parking, better cycling infrastructure, smart transport technology, such as 'digital way finding' and real-time traffic alerts, travel planning, and improving the look, feel and experience of public space. The Board also considered the preferred options for bus priority measures and cycling improvements on Histon Road and Milton Road, and a package of five schemes to improve cross city cycling. The proposals for Histon and Milton Roads have attracted a lot of criticism from local residents; the proposal that 100+ trees will be lost to accommodate the changes on Milton Road being particularly contentious. Assembly agenda pack: http://tinyurl.com/j5zqqkh; draft minutes: http://tinyurl.com/j9vo9kj; Board agenda pack and decisions: http://tinyurl.com/jkynk3d.
Planning Committee – among items considered by the **Planning PfH** at his June meeting was a review of the at the way the district council works with local communities who are engaged in preparing Neighbourhood Plans. There is growing interest amongst our local communities to provide parish level plans to sit alongside the Local Plan and the report made recommendations on how the council should move forward to fulfil its statutory duties to advise and support them. The portfolio holder agreed to set up a Neighbourhood Plan Task and Finish Group to oversee this review. The group will include district and parish councillors who will oversee the development of a number of documents including a revised agreement for use between the council and any parish council preparing a Neighbourhood Plan. Agenda pack: http://tinyurl.com/j85v8mm.
Parklife – South Camb's annual free family fun day on 17th July, did you go? Did you enjoy the day? Let us know what you liked best.
The wide range of activities offered at the event were free and include climbing and archery in the Extreme Zone, nest box making and den building in the Wild South Cambs Zone as well as mountain biking in the Cycle Zone.

BICYCLE REPAIRS & SERVICING

07914 655086

— COUNTY COUNCILLOR NOTES —

Please may I ask for your support to ensure that you protect yourselves and, particularly, any vulnerable neighbours, friends or relatives against scammers? Criminals are increasingly finding new ways to get their hands on our money. The National Fraud Intelligence Bureau has observed an increase in reports of fraudsters placing fake letter boxes on residential properties. Residents are likely not to notice that this is happening as the fraudsters periodically remove them to access mail which can then be used to open bank accounts or apply for other financial services. If you, or anyone you know, has been affected by a scam, please report it to Action Fraud, 0300 123 2040 or on line at: www.actionfraud.polic.uk.

An extraordinary meeting of Council was convened in June to debate the details of the Cambridgeshire/ Peterborough devolution deal. Five amendments were proposed of which only one was supported. It referred to work being done (a) with district councils on delivery plans for the affordable housing element of the deal and (b) with all constituent bodies on scrutiny and funding of the mayoral office that has been a non-negotiable element of the deal till now. Public consultation on the deal commenced on 4th July. Council will meet in October to consider the responses to the consultation. If you wish to respond: https://www.smartsurvey.co.uk/s/devosurvey/.

The Greater Cambridge City Deal (GCCD) Board was asked to consider a proposal to allow housing built outside village frameworks as a result of permissions given for speculative applications (made due to South Cambridgeshire's five year land supply situation) to be counted as part of the 1,000 additional homes that the GCCD has committed to building. The Board was unwilling to approve either the original proposal or an amended one that only the affordable homes on these sites should count and, as a result, officers will now have to review the proposal.

If you would like to know more about the work of Cambridgeshire County Council, please let me know and I will add you to the circulation of the full report I write monthly for parish councils.

– AUGUST BULLETIN – FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

The school summer holidays are here and we hope you are enjoying time with family, going on holiday or even creating your own adventures at home.

Why not take the opportunity to teach your children about fire safety and design your very own fire escape plan? We recommend every household has a fire escape plan and regularly runs through it with the family – and especially when guests are coming to stay.

Here are a few things to consider when writing yours:

- Everyone should know where the window and door keys are kept.
- Your normal way out of the house is your best escape route, so always keep it clear of clutter. Think of the difficulties you might have using this route in pitch darkness or smoke.
- Walk your escape route with the rest of your family or housemates and make sure everyone can open windows and doors easily.
- If you, your neighbour or family member might be vulnerable or have trouble escaping from their house if there was a fire, get in touch with us to see if we can help by calling **0800 917 9994**.

For the latest news, incidents and safety advice, or to contact us, log on to www.cambsfire.gov.uk. Sign up to email alerts and find us on Twitter, Instagram, YouTube and Facebook.

DO YOU HAVE A DISABILITY?

Or perhaps you know or care for someone who does?

We might be able to help – for free!

Remap helps people of all ages with disabilities, to achieve greater independence and enjoy life more fully. This little girl can now ride her bike as our volunteers make one-off pieces of equipment such as the one in the photo. Find out more at www.remap.org.uk or call our Cambridge branch: 01954 780551 or 01223 570860

Registered Charity Number 113766.

– SEWING SERVICE –

If you have a sewing job you don't fancy doing – or feel you can't do – please call **Lynn** on **01954 201113** and she'll see if she can help.

– BAR HILL COMMUNITY CAR SCHEME –

This scheme is aimed at the residents of Bar Hill who don't have access to a car and struggle with using public transport. It costs only 30p per mile, with a minimum charge of £3.00 per journey. Our drivers are fully insured. Once a journey is booked (07496 465330), a volunteer driver will collect you and take you home after your appointment.

If you would like to volunteer, know of someone who would benefit from this scheme, or want to know more about it, please get in touch with Jane Johannessen, Community Development Officer, Care Network, on: T: 01954 211919; E: jane.j@care-network.org.uk.

– OVER DAY CENTRE – FOR RESIDENTS OF BAR HILL

Over Day Centre can take up to 28 clients every day. Clients can be referred to us via the NHS (typically your GP), by Cambridgeshire Social Services, or privately. Our criteria is that clients must be frail or elderly and come from Over or surrounding villages.

The Centre is open between 9.30am and 3.30pm Monday to Friday, and the first Saturday of each month for our community lunches.

We offer morning coffee and afternoon tea as well as a hot meal at lunchtime. There are a range of activities for clients.

There are close links with the Over GP surgery, for example doctors will come to the Day Centre to see clients if necessary. There is also a prescription collect service by the Pharmacy. There is an on-site hairdressing salon, and we have a specially adapted bath for frailer clients. We also have visits from a foot care specialist and from footwear and clothes retailers. In the summer we take clients on trips, e.g. to Hunstanton or river trips at St Ives.

The Centre is led by Sarah Peck, Centre Manager. Hayley Smith is Head of Care and is supported by two permanent care staff, plus bank staff. There are two cooks, minibus driver, minute secretary and cleaner.

The Centre relies heavily on volunteers and we currently have around 70 who support us either by helping with activities for clients, cooking, providing an escort, driving the minibus or helping with fundraising. Around a quarter of our income comes from donations, grants and fundraising. Our main fundraising event is the May Five Pub Challenge, which is a 12 mile sponsored walk around the Fens. This has been going for six years and attracted 370 walkers this year. Other funding is from client fees and a contract with Cambridgeshire County Council.

The growing awareness of the devastating effects of dementia – and loneliness – among the elderly has made centres like ours even more important.

Any enquires about attending the Day Centre, or volunteering, please contact **Sarah Peck**: tel: **01954 231807**; e-mail: office@overdaycentre.co.uk.

— TESCO COMMUNITY TEAM —

We've had another busy month working within the local Community and with charities. It is such a pleasure to be able offer help especially in the form of time. I thoroughly enjoyed helping deliver a fun event for the Ladies and Gents at Happy Hours. The Queen's Birthday themed Garden Party event was a credit to all the hard work of organisers.

In store you may have seen many of us sporting football/ sports shirts at the beginning of June when Tesco went football crazy to raise funds British Heart Foundation and Diabetes UK. Then there were the Britain's Got Talent finalists the Neales who paid us a visit to sing live their debut charity single.

The store has also hosted 2–3 Farm to Fork Trails a week, led by Julie, our Farm to Fork champion. Many children from schools, clubs, scouts and brownies have enjoyed the experience. Julie is now taking bookings for the Autumn term; please see her contact details below.

Looking forward to August when you'll see Rio De Tesco – look out for posters.

So bye for now hope to see you in store or when I'm out and about.

Thanks to those who have donated books – all are gladly accepted! Please leave at customer services.

DO YOU ENJOY READING YOUR BAR HILL NEWS?

Would you like to help with its production?

Our village magazine is printed and delivered every month except January, and we like to think it provides a useful service to Bar Hill. It's produced entirely by volunteers and we are most grateful to all who help in any way. However, from time to time we need more people to help in various ways, as some of our regular team become unable to continue for one reason or another.

Now is one of those times! We currently need people to help with collating and delivery.

Collating – 100 copies of the magazine takes about an hour, using an electric stapler which we provide. The copies will be delivered to you and we usually ask you to pass them on to someone else in the village for delivery, although we can arrange to collect them if necessary. We are short of one regular collator and we would also like to hear from people who are willing to be on the reserve list to cover occasional absences.

Delivery – is usually to between 40 and 70 houses. We currently need deliverers in **Appletrees** and **Thruffle Way**. Again, we would also like to hear from people who are willing to be on the reserve list.

Thank you very much – I look forward to hearing from you.

CAMBRIDGE PROVIDES A SPECIAL BACKDROP FOR CAMPAIGN VIDEO

Cambridge is helping to cause a buzz around Arthur Rank Hospice Charity's new awareness campaign, Team Arthur. The city provides a vibrant backdrop and colourful protagonists for the 2 minutes 20 seconds video, which gained more than 23,000 views and gathered a Facebook reach of more than 60,000 people in less than a week.

Narrated by BBC broadcaster and Cambridge local Nick Barraclough, the video takes viewers on an alternative tour of Cambridge in 2016, featuring a diverse cast of Cambridge names, including the well-recognised such as Stephen Hawking, the Rosie Hospital and St Catherine's College as well as more locally recognised characters such as Eddie of Eddie's Barber Shop, Harriet of Harriet Kelshall Bespoke Jewellery, Jack of Jack's Gelatos and Franck from Le Gros Franck.

The campaign was conceived after the Charity's CEO Lynn Morgan and Colin Miles, Managing Director of Somersault Video Productions, were seated together last year at an awards dinner. Having heard from Lynn about their quest to raise money for the Hospice's £10.5m build project, Colin and his team were inspired to make it one of their 'projects of passion', delivering the initiative in its entirety as a donation to the Charity.

The joint initiative aims to extend awareness of the special nature of the Cambridgeshire Hospice's care amongst those who may not have previously experienced its services, break down misconceptions and illustrate how integral Arthur Rank Hospice Charity is to the city's life and people. Those watching are invited to share it with their friends, sign up to Team Arthur and visit teamarthur.org to find out more about how they can get involved.

By the times you read this, the children and staff with be well into their summer holidays!

The Year 6 are excited about moving on to Swavesey Village College and St Bedes after the time spent at these schools in July. They also had the most fantastic residential trip to Hilltop and a great Year 6 Leavers Prom. They are well and truly ready to move on.

We are excited about how well are children have done on their various national exams.

- Reception children achieved 20% higher results this year than achieved nationally last year;
- Year 1 achieved 22% higher results for the phonics screening than achieved nationally last year with 96% of Bar Hill's Year 1 children passing the screening on the first attempt;
- Year 6 achieved the highest results out of all of the schools in the Swavesey cluster and, on average, 10% higher than national results in all of the tests. This makes Bar Hill students more likely to be ready for secondary school than any school in the area and most schools in the country.

Congratulations to the adults and children who worked hard to ensure fantastic learning and such impressive results. When the autumn term rolls around, the children will be more than ready to tackle their next academic year.

I wish you all a good summer holiday and look forward to seeing all the students back on Monday, 5th September!

Yours sincerely

Dr Al Mistrano, Headteacher
